WONDERS OF AUTO TRIP AROUND MOUNT HOOD TOLD

Mr. Jeffery showed his employment of a three-weeks' road trip through the west and the north by the automobile. The writer was impressed by the fact that the car was capable of covering a large number of miles in a short time. The trip was made in the Oregon territory and included a visit to the Mount Hood region.

In the course of the trip, Mr. Jeffery and his party visited many of the notable places in the west, such as Yosemite National Park, the Grand Canyon, and other famous tourist spots. The writer was struck by the beauty of the scenery and the comfort of the car, which was well equipped for long-distance travel.
